AROMA THERAPY

Aromatherapy uses concentrated plant extracts and essential oils to boost physical and mental health. Key benefits include lowering stress and anxiety, improving sleep quality, easing mild pain, and elevating mood. Common methods involve diffusers, skin massage, and direct inhalation.

Spaaholic WELLNESS

PRICE	3000	4000
DURATION	60 min	90 min

SWEDISH THERAPY

Aromatherapy uses concentrated plant extracts and essential oils to boost physical and mental health. Key benefits include lowering stress and anxiety, improving sleep quality, easing mild pain, and elevating mood. Common methods involve diffusers, skin massage, and direct inhalation.

Spaaholic WELLNESS

PRICE	**3500**	**4500**
DURATION	**60 min**	**90 min**

DEEP TISSUE THERAPY

Deep tissue massage uses slow strokes and firm pressure to target inner muscle layers and connective tissue. It helps relieve chronic back and neck pain, break down scar tissue, lower blood pressure, improve joint flexibility, and reduce stress.

Spaaholic WELLNESS

PRICE	3500	5000
DURATION	60 min	90 min

DRY THERAPY

Dry massage therapy performed without oils or lotions—offers unique advantages for targeted tissue work, skin health, and convenience. Key benefits include better fascial engagement, precise muscle control, and no oily residue.

Spaaholic WELLNESS

PRICE	2500	3500
DURATION	60 min	90 min

CREAM THERAPY

Cream massage therapy provides deep skin hydration, better muscle control with less friction, and targeted relief from aches. It nourishes dry skin, improves blood flow, and offers a cleaner, less messy alternative to massage oils.

Spaaholic WELLNESS

PRICE	3500	4500
DURATION	60 min	90 min

HOT OIL THERAPY

Hot oil massage therapy offers deep muscle relaxation, enhanced blood flow, and intense skin hydration. It combines the soothing properties of thermotherapy with therapeutic touch to relieve physical and mental stress

Spaaholic WELLNESS

PRICE	3000	4000
DURATION	60 min	90 min

BODYPOLISH THERAPY

Body polish massage therapy removes dead skin cells, boosts blood circulation, and deeply hydrates the skin. Key benefits include smoother skin texture, an instant natural glow, and deep stress relief.

Spaaholic WELLNESS

PRICE	3500	4500
DURATION	60 min	90 min

WINE THERAPY

Wine massage therapy uses red wine extracts or grape-derived oils to improve skin health, boost collagen production, and reduce physical tension. Key benefits include intense anti-aging effects, clear acne-free skin, and a natural, healthy glow.

Spaaholic WELLNESS

PRICE	4000	5000
DURATION	60 min	90 min

COUPLE THERAPY

Couple massage therapy provides profound physical relaxation and emotional bonding by reducing stress, releasing feel-good oxytocin, and easing muscle tension side-by-side in a tranquil environment.

Spaaholic WELLNESS

PRICE	**6000**
DURATION	**60 min**

SPAAHOLIC SIGNATURE THERAPY

Spaaholic signature massage therapy session provides custom wellness care, lower stress, and pain relief by blending unique spa techniques tailored to your body.

Spaaholic WELLNESS

PRICE	**7000**
DURATION	**90 min**

JACUZZI THERAPY

Jacuzzi massage therapy provides deep physical and mental relief by combining warm water, buoyancy, and targeted jet streams. Key benefits include improved blood circulation, relaxed tight muscles, and reduced stress.

Spaaholic WELLNESS

PRICE	**5000**	**7000**
DURATION	**60 min**	**90 min**

FOUR HAND THERAPY

Four hand massage therapy involves two therapists working on one client at the same time in synchronized movements. Key benefits include deep mental relaxation, faster muscle tension relief, and improved blood flow.

Spaaholic WELLNESS

PRICE	6000	10000
DURATION	60 min	90 min
